- This is more than just a time to ski or snowboard. This is a time to be together – to enjoy fellowship and to worship with other Christians in the beautiful setting of June Mountain

- Friday and Saturday evenings we will gather for a time of worship, teaching and fellowship. Bring your Bible and come prepared to worship, to share and to make new friends.
- A couple of alternatives for those who don't ski or snowboard: snow-shoeing, a trip to the local spa for self-pampering, or simply a quiet day to read or relax in your condo.

### Details

- You are responsible for arranging transportation. We will make a list available of who is going.
- Specific condo assignments will be determined the week before the trip.
