

APPLICATION for Short Term/Summer Missions Santa Barbara Community Church

Application Process

1. Short-Term applications will be reviewed monthly. Applications for Summer Missions trips must be received no later than May 15th. Applications are to be submitted electronically to the Missions Group at missions@sbcommunity.org.
2. The selection process will not be governed by the particular deadlines of the applicant(s).
3. We recommend the following process for those seeking to be supported by SBCC:
 - a. Be a member of SBCC for at least 1 year.
 - b. Be a committed, regular member of a homegroup.
 - c. Have your homegroup pray for you in this decision and support your desire to go into the mission field.

Missions and SBCC

- ✓ **SBCC's Missions Thrust:** to support ministries that promote a local church emphasis, to grow missionaries out of our own local body, and to make our Christian witness overt.
- ✓ **Mutual edification:** our hope is that we will have a reciprocal relationship with each missionary. We want missionaries sent out from SBCC to return to the church to teach, encourage, inform, and stimulate our church body.
- ✓ **Long-term vs. short-term:** we recognize that God usually uses short-term mission trips to cultivate a calling to the mission field; as a result, we will often give some financial support to these trips on a case-by-case basis. Nevertheless, in terms of percentages, the majority of our missions giving will be devoted to long-term missions work.
- ✓ **Sending Church:** SBCC desires to be a sending church. We are seeking to develop and send members of our body to the mission field. We affirm the need for missions agencies to assist the church in their sending efforts. The church and the mission agency become partners in training, sending, and sustaining the missionary.
- ✓ **Balance:** we seek to be balanced in our missionary endeavors between foreign, local, and social justice concerns.
- ✓ **Speaking up for the voiceless:** we will give priority to places and people who lack a voice, whether through lack of fiscal & social resources (as in a Third World country), or through lack of vital church presence (e.g., in most of Western Europe).
- ✓ **Prayer:** we will pray as a church regularly for missions and missionaries, and encourage the body to grow in missions-mindedness. At one level, every member of the body will be involved in missions.
