

# AFTER GOD'S OWN HEART

This week's Scripture: \_\_\_\_\_

What did the people ask for in 1 Samuel 8? Do you think that there's anything wrong with their request? Why or why not?

How would you summarize Samuel's warning to the people?

What did Saul do in 1 Samuel 13 that was so wrong?

What did Samuel say God would do in response?

What type of man was God going to look for, according to Samuel?

What do you think that means?
