### 35. THE LOVE OF GOD

The love of God is greater far  
Than tongue or pen can ever tell  
It goes beyond the highest star  
And reaches to the lowest hell  
The guilty pair, bowed down with care,  
God gave His Son to win  
His erring child He reconciled  
And pardoned from his sin  
When years of time shall pass away  
And earthly thrones and kingdoms fall  
When men who hear, refuse to pray,  
On rocks and hills and mountains call  
God's love so sure shall still endure,  
All measureless and strong  
Redeeming grace to Adam's race-  
The saints' and an- gels song  
Could we with ink the ocean fill,  
And were the skies of parchment made  
Were every stalk on earth a quill,  
And every man a scribe by trade  
To write the love of God above  
Would drain the o- cean dry  
Nor could the scroll contain the whole,  
Though stretched from sky to sky

The love of God...How rich and pure!  
How measureless and strong!  
It shall forever more endure-  
The saints' and an- gels' song

### 36. TAKE MY LIFE AND LET IT BE

Take my life and let it be  
Consecrated, Lord, to Thee;  
Take my hands and let them move  
At the impulse of Thy love,  
At the impulse of Thy love.

Take my feet and let them be  
Swift and beautiful for Thee;  
Take my voice and let me sing  
Always, only, for my King,  
Al- ways, only, for my King.

Take my lips and let them be  
Filled with messages for Thee;  
Take my silver and my gold,  
Not a mite would I with- hold,  
Not a mite would I with- hold.

Take my love, my God, I pour  
at Thy feet its treasure store;  
Take myself and I will be  
Ever, only, all for Thee,  
Ev- er, only, all for Thee.
